

DIRECTOR'S PAMPHLET

[DECEMBER EDITION]

Dear Directors,

Here is the monthly update on behalf of the Secretariat to inform you on what the Student Executive Team is doing in order to ensure that your delegates have a smooth and fruitful conference:

- Research reports for delegates have been uploaded onto the website within each committee page. Please visit our website for the details [www.dimun.info]. Hopefully delegates will be able to begin writing their resolutions over the Christmas break.
- Please see the attached Shuttle bus timetable from the airport to the hotel and vice versa. Schools will need to contact the hotels to reserve seats on the free shuttle bus. If your school is arriving by train, please inform us so we can arrange buses from the train station to your hotel.
- We are now in the preliminary signup stages of the annual **DIMUN Spotlight**. Please see the attached poster below. If any of your delegates are interested in performing in the talent show, please email us about which delegates from your school will be participating and what they will be performing

The DIMUN team hopes you have a delightful and relaxing winter break. We look forward to meeting you in March.

If you have any queries, do not hesitate to email us at dimun@dulwich-beijing.cn.

Warm Regards,
DIMUN VIII Secretariat

DIRECTOR'S PAMPHLET
